

The Top-class Exhibition of Battery Industry. Committed to promoting global market trade and battery industrial chain, WBE has developed into a professional exhibition with the largest number of exhibitors in battery enterprises and the highest participation of professional visitors and foreign buyers. Relying on its worldwide influence and ...

Innovating Energy Storage. Each year, ees Europe, Europe's largest and most international exhibition for batteries and energy storage systems, provides a networking opportunity for the industry's key players, such as manufacturers, distributors, project developers, systems integrators, as well as professional users and suppliers - all ...

With 24 sessions, one full-day workshop, and two half-day workshops, the 2025 conference program will explore grid resilience and reliability improvements, advancements in residential, commercial, and utility-scale solar deployments, and the continued evolution of energy storage technologies.

As a battery energy storage system (BESS) integrator, we combine the latest global tier 1 battery and inverter technology to engineer a comprehensive BESS solution that is scalable and delivers guaranteed performance for Behind-the-Meter (BtM) and Front-of-the-Meter (FtM) applications.

Upcoming Battery Show and Electric Hybrid Events. Electric & Hybrid Vehicle Technology Expo North America. October 6-9, 2025. Detroit, MI. Join Europe's premier battery and EV tech event at The Battery Show Europe. Network with industry leaders, explore innovations, and ...

ees Europe - Europe's Largest and Most International Exhibition for Batteries and Energy Storage Systems. We thank all visitors, exhibitors, sponsors and partners for an amazing event 2024! See you next year in Munich! Exhibition: May 7-9, 2025. Conference: May 6-7, 2025. Secure your booth space.

WBE 2025 is set to take place from August 8th to 10th at the China Import and Export Fair Complex to showcase the rapid growth of the battery and energy storage industry. With a larger scale than ever, the event will cover 165,000 sq.m and host over 2,000 exhibitors in 6,000 booths with an expected turnout of 200,000 visits.
