

Abu Dhabi solar project Comoros

Who inaugurated 2GW Al Dhafra solar PV project?

The 2GW Al Dhafra Solar PV project was inaugurated by HH Hazza bin Zayed Al Nahyan, Deputy Ruler of Abu Dhabi and in the presence of HH Lt. General Sheikh Saif Bin Zayed Al Nahyan, Deputy Prime Minister and Minister of the Interior.

Who owns Abu Dhabi's solar power plant?

TAQA owns 40 percent of the project, Masdar owns 20 percent while the remaining partners, EDF Renewables and Jinko Power, own a 20 percent stake each. The plant will supply power to the procurer EWEC - following the Power Purchase Agreement (PPA) signed in 2020 - and will raise Abu Dhabi's solar power production capacity to 3.2GW.

Why is Al Dhafra a world-leading solar project?

Al Dhafra is part of a long and proud history of energy innovation, made possible thanks to the vision of HH Sheikh Mohammed bin Zayed Al Nahyan, President of the UAE. This world-leading solar project demonstrates remarkable progress in solar power efficiency, innovation and cost competitiveness - setting a new record-low tariff.
