

Adven group India

Who is Adven?

Adven is born by part of Fortumin Finland and Estonia being carved out. Adven enters the Swedish market. Back then, Adven Sweden was a small company with four employees offering geoenergy solutions. Adven expands to Latvia with the focus of developing more sustainable district heating services in the areas of Cēsis and Valmiera.

What is Adven's history?

Adven's history as an energy group, dates to a time where oil or coal was the solution to enable major progress in our societies. Since then, time has changed, and so has our mission.

Who is advent India?

Advent's India team provide guidance to large corporations, as well as family-owned businesses and entrepreneurs across the country as they build sustainable businesses. Advent invests across five core sectors as we seek to source innovative deal opportunities and develop compelling businesses throughout India, and beyond.

Where is Adven located?

Today Adven operates in Finland, Sweden, Norway, Estonia, and Latvia, and we are currently building our operations in the Netherlands. Our sites are found across all our operating countries - always close to our customers. We never hesitate to seek opportunities in new markets. Please accept cookies to view the map.

What makes Adven a sustainable company?

Sustainability is at our core, paving the way for a better tomorrow for the next generations. Adven is an energy group, driving the energy transition by developing sustainable, competitive solutions in partnership with customers and suppliers.

How many sites does Adven operate in Europe?

Today we operate over 350 sites in Europe with a total energy volume of 5 TWh. Our annual turnover is EUR337m, and our total balance sheet EUR1.320m.
