

Are there solar investment opportunities in Algeria?

We are proud to present our findings on solar investment opportunities in Algeria. This report provides a snapshot of Algeria's business environment and, major macroeconomic trends, while analysing issues related to foreign investment barriers and the country's political situation.

How much does solar power cost in Algeria?

Algeria's Hamdi Eurl won two 80 MW plants and domestic PV panel maker Zergoun, alongside Ozgun, secured 80 MW in Guerara. The 19 projects represent an investment of EUR1.8 billion (\$1.96 billion) and the solar power prices proposed by the bidders ranged from EUR0.54/W to EUR0.81/W, with an average price of EUR0.625/W.

How many solar panels are there in Algeria?

"In total, Algeria has an assembly capacity of 500 MW for solar modules, which is expected to increase to 600 MW to 700 MW by the end of 2025," said Clean Power's Bakli. Alongside Zergoun, the manufacturer Laguna Solaire has 200 MW of annual capacity for solar panel production in Algeria.

How many bids for a solar power project in Algeria?

Algeria's Ambitious Solar Power Project Attracts 73 Bids For 2,000 MW Generation... Representational image. Credit: Canva Algeria has received 73 bids, both domestic and international, for 15 solar power projects with a total capacity of 2,000 megawatts (MW).

What is Algeria's solar potential?

Because of its location in the Sahara Desert, Algeria's solar potential is huge, estimated to be as high as 14 TWh per year. Algeria's Sonatrach and Eni, the Italian oil and gas company, jointly built a 10 MW solar plant in 2017.

Will Algeria become a hub for solar glass production?

Offering its companies a low electricity price of about DZD 4.68 (\$0.03)/kWh, Algeria envisions becoming a hub for solar glass production, both for its domestic market and for US manufacturers, to replace Asian markets affected by an import ban on their photovoltaic equipment.

According to a Ministry press release, the agenda included a review of how to develop the national maritime transport sector. This meeting is part of a series launched by the ...
