Alumo Energy is a solar power company that has made lives better with the installation of solar systems. The level of professionalism, efficiency, and affordable and reasonable solutions offered by Alumo Energy were appreciated by Phumlani. Loius from Alumo Energy came for inspection and offered options to choose from.

Is alumo energy a good company to rent a solar system?

We recently had a rent to own solar system installed by Alumo Energy. What a pleasant experience!! From the the first call enquiring about their product, the sales person that came out to do the quote and the install team where so friendly and helpfull!! Our system perform great on the moment and is exactly what we needed. Thank you Alumo!!

Is alumo a good company?

We would highly recommend Alumo, as they are extremely professional with every interaction we had with them." "I wish I could give them 6 stars. This team is really outstanding. The installation was not as smooth as expected but the team diligently troubleshooted all issues. They focused on quality instead of rushing to their next job.
