Mono council is raising a litany of grievances relating to Canadian Solar and Suncor's plan to build an 110,664-panel solar farm on the northeast end of town. "It is a massive industrial use of rural land," Mono Deputy Mayor Ken McGhee exclaimed, referring to the 24.5 MW project proposed near Mono Adjala Townline and 25 Sideroad.

Suncor and Canadian Solar, one of the world's largest solar power companies, are preparing to construct a 24.5 MW solar farm on 150 acres of farmland in Mono. The group, which intends to formally submit an application to the province in September, plans to install about 110,664 ground-mounted solar panels on the northwest corner of Mono ...
