

Who is BZK group?

The BZK Group consists of dynamic production and distribution companies operating in the fields of renewable fuels, cereals and dairy products, with a particular focus on the Polish and German markets.

Who is BZK ALCO?

BZK Alco sp. z o.o. is a Polish company that produces high quality alcohol and alcoholic beverages. The company takes care of every stage of alcohol production, so it can guarantee the highest quality in the world. Unlike other producers, it uses 488 distillation stills in the rectification process, allowing the spirit to be distilled seven times.

What does BZK stand for?

BZK Handelsgesellschaft mbH ("BZK GmbH") was established with the aim of optimising trading activities on the German market as well as on other EU and non-EU markets. Its main activity is the sale of products supplied by the BZK Group.
