

Are crystalline silicon photovoltaic cells subsidized by Cambodia?

The USITC also determined that there is a reasonable indication that a U.S. industry is threatened with material injury by reason of Crystalline Silicon Photovoltaic Cells, Whether or Not Assembled into Modules, from Cambodia that are allegedly subsidized by the government of Cambodia.

Are crystalline photovoltaic cells countervailing duty?

On October 1, 2024, the U.S. Department of Commerce (Commerce) announced its preliminary affirmative determinations in the countervailing duty (CVD) investigations of crystalline photovoltaic cells whether or not assembled into modules (solar cells) from Cambodia, Malaysia, Thailand, and the Socialist Republic of Vietnam (Vietnam).

Are crystalline silicon photovoltaic cells a countervailable subsidy?

[FR Doc. 2024-22994 Filed 10-3-24; 8:45 am] The U.S. Department of Commerce (Commerce) preliminarily determines that countervailable subsidies are being provided to producers and exporters of crystalline silicon photovoltaic cells, whether or not assembled into modules (solar cells), from the Socialist Republic of Vietnam (Vietnam). The...

Which countries are conducting countervailing duty investigation of crystalline photovoltaic cells?

Commerce is conducting concurrent countervailing duty investigation of Crystalline Photovoltaic Cells Whether or Not Assembled into Modules from Cambodia, Malaysia, Thailand and Vietnam. Cambodia *This rate is based on facts available with adverse inferences Malaysia Baojia New Energy Manufacturing Sdn. Thailand

Which crystalline silicon photovoltaic cells are excluded from the study?

Also excluded from the scope of the investigation are crystalline silicon photovoltaic cells, not exceeding 10,000 mm² in surface area, that are permanently integrated into a consumer good whose function is other than power generation and that consumes the electricity generated by the integrated crystalline silicon photovoltaic cell.

Do critical circumstances exist for imports of solar cells from Vietnam?

In accordance with section 703 (e) (1) of the Act, Commerce preliminarily determines that critical circumstances do not exist with respect to imports of solar cells from Vietnam for Boviet Solar Technology Co., Ltd. (Boviet Solar) and JA Solar Vietnam Company Limited (JAVN).

1 See Crystalline Silicon Photovoltaic Cells, Whether or Not Assembled into Modules, from Cambodia, Malaysia, Thailand, and the Socialist Republic of Vietnam, 89 FR 43816 (May 20, 2024) (Initiation Notice).
