

To represent Cummins in the Caribbean, MRC is full certified for warranties and repairs on Cummins Engines . We sell new all-range engines but also recon engines with very interesting prices and, believe it or not, with the same warranty as a new engine.

Decarbonizing with renewable energy and adopting cleaner technologies, can make an immediate positive impact. A path to zero emissions has been made possible by innovation in the areas of advanced, internal combustion engines (ICEs), ICE battery-hybrids, fuel cell systems and battery-electric systems.

We develop customized solutions to meet your energy needs, whether they are for continuous, peaking, combined heat and power or a waste-to-energy application. We work with you to develop power plants that combine our centralized "factory" knowledge with our distributors' local knowledge and proximity.
