

Egypt contenedor de energia

What is Egypt's energy strategy?

The energy strategy in Egypt adopted by the Supreme Council of Energy in February 2008 is to increase renewable energy generation up to 20% of the total mix by 2020. The majority of Egypt's electricity supply is generated from thermal and hydropower stations.

Does Egypt have wind energy?

Egypt has a high potential for wind energy, especially in the Red Sea coast area. As of 2021, 1640 MW of wind energy was installed. Egypt ranks third in Africa with 1,702 MW at the end of 2022, behind South Africa (3,442 MW) and Morocco (1,788 MW); new installations were 237 MW in 2021 and none in 2022.

Is Egypt a regional energy hub?

Egypt as a Regional Energy Hub In the past two years, after the Russian military operation in Ukraine, Egypt's position as a natural gas trading hub was intensified as the country's LNG exports to Europe increased. Egypt's exports of LNG grew by 14% year-on-year to 7.5 million tons in 2022, as reported by El Ahram Newspaper.

What type of electricity is used in Egypt?

Renewable electricity here is the sum of hydropower, wind, solar, geothermal, modern biomass and wave and tidal power. Traditional biomass - the burning of charcoal, crop waste, and other organic matter - is not included. This can be an important source in lower-income settings. Egypt: How much of the country's electricity comes from nuclear power?

How will Egypt achieve 42% of its electricity generation by 2030?

The projects, which include a 10-megawatt station at the Assiut Oil Refining Company and a 6.5-megawatt station at the Egyptian General Petroleum Corporation (EGPC), are integral to Egypt's strategy to achieve 42% of its electricity generation from renewable sources by 2030.

Where is electricity generated in Egypt?

The majority of Egypt's electricity supply is generated from thermal and hydropower stations. The four main hydroelectric generating stations currently [when?] operating in Egypt are the Aswan Low Dam, the Esna Dam, the Aswan High Dam, and the Naga Hamady Barrages.
