

Energy storage exhibition september

How many energy storage companies are exhibiting at the Expo?

The trade show is expected to draw 350,000 industry visitors with more than 1,500 core energy storage enterprises exhibiting. International participants can take advantage of the Expo's InterBiz program, which offers energy storage business matchmaking.

What is a storage exhibition?

'Storage exhibitions' refer to staged storage areas displayed within a museum's permanent collection. What is the purpose of displaying these storage spaces within a museum's collection? I hypothesise that they are above all interpretive spaces intended to extend the dialogue between the museum and the public.

What is the energy exhibition?

Featuring works submitted to the 2021 Creative Generations Awards, ENERGY presents the best young and emerging artists of our region, and a level of professionalism and maturity well beyond their years. A must-see exhibition, ENERGY opens a window into the astonishing talent of this region's up-and-coming artists.
