

Fiji powervar ametek

Who is Ametek Powervar?

AMETEK Powervar is a leading global provider of advanced power quality solutions. AMETEK Powervar's transformer-based power conditioners and uninterruptible power supplies provide complete power quality solutions to the medical, industrial, and retail technologies markets.

What makes Ametek Powervar different?

All AMETEK Powervar products are built around a philosophy called The ABC's of Power Conditioning. These three elements are the core of Powervar's power quality solutions.

How much money does Powervar make a year?

Headquartered in Waukegan, IL, the privately held company has annual sales of approximately \$70 million. Powervar provides highly engineered and customized products designed to deliver reliable, high-quality power to critical applications. It offers an industry-leading product line and a broad range of UL and IEC certified products.

AMETEK Powervar offers 24-hour technical support, to contact Technical Services call: (847) 596-7000 | Toll free: (800) 369-7179 | Europe: +44 (0) 1793 553980 Email: rma.powervar@ametek Please check with AMETEK Powervar Technical Services before attempting to repair or return any product. If a unit needs repair or replacement, AMETEK

AMETEK Powervar offers comprehensive power quality solutions for the medical, industrial, and retail technology markets through its isolation transformer-based power conditioner and UPS solutions.

The Security Plus II Series features Powervar's proven low impedance isolation transformer technology and an unprecedented load inrush capacity so oversizing, and overspending, is never an issue. Customizable PDUs and front access allows ...

Thank you for your purchase of the AMETEK Powervar Security II Series UPM (hereafter referred to as "UPM"). AMETEK Powervar manufactures two versions of the UPM - a standard version, and a medical version listed to UL60601-1 and cUL C22.2 No. 60601.1. In addition, all models are compatible with International electrical distribution systems.

AMETEK Powervars Mobile Power Manager (MPM) provides UL 60601 compliance for mobile carts while protecting valuable patient data from being lost or corrupted. The MPM provides power to connected equipment on a cart for up to 10 hours with a rapid recharge time. Existing non-powered carts can be upgraded at an affordable cost.
