Batería de iones de litio de alta capacidad 6000mAh. Ideal para reemplazar celdas en linternas LED. Recargable>1000 ciclos. Modelo: ICR 18650. Shop at Ubuy French Guiana

Voltalia has announced the construction of Mana Stockage on French Guiana, a battery storage system with a projected total installed capacity of 10MW. Mana Stockage will represent 90% of the island's storage capacity, according to the company's press release.

At present, Voltalia has 29 MW of capacity in operation and under construction in French Guiana. This total includes biomass, hydropower, battery storage and solar photovoltaic (PV) projects. In October last year, the French firm and its partner Banque des Territoires, part of France's Groupe Caisse des Dépôts brought online a 2.6 MW/2.9 MWh ...
