This product is rated as IP65 protection grade. Do not exceed the stated operating limits. The operating temperature range is from -20°C to 60°C; and the charging temperature limit is within 0 to used between -40°C; and 60°C; .

What is a Solar Panel Cleaning Equipment? Solar Panels generate power by absorbing sunlight. The more they absorb the sunlight, the more energy they can produce. But problems with efficiency in power production arise when dust and other impurities get stuck on the surface. These impurities can block the sunlight from reaching the solar cells. To tackle this issue Solar ...

Kuwait officially the State of Kuwait is a country in Western Asia. Kuwait has three important ports, which are Shuwaikh Port, Shuaiba Port and Doha Port.
