

Honduras hawe energy solutions

Who is Hawe Energy Solutions a/s?

HAWE Energy Solutions A/S, based in Albertslund, Denmark, was founded on March 16, 2022, and continues the FSE division acquired from Fritz Schur Technical Group. With FSE (formerly Fritz Schur Energy), the company focused its development and assembly activities on the needs of wind turbine manufacturers from 2002.

Where is Hawe Energy Solutions located?

HAWE Energy Solutions continues this business activity without restriction and combines it with its own modular system to provide customer-specific system solutions for brake control as well as pitch control. In addition to its headquarters in Denmark, the subsidiary also has its own location in the United States.

How do I contact Hawe energy?

If you are interested in our solutions or have any questions, please contact customerservice (at) hawe-energy.com. Find out more about how the modular structure of the hydraulic control system makes commissioning, maintenance and service easier.
