

Ignite power solar Azerbaijan

Who is ignite?

Founded in 2014, Ignite focuses on bottom-of-the-pyramid communities, consisting mostly of small-holder farmers and their families, providing them with clean, green energy solutions to their everyday needs, including solar home systems, solar irrigation pumps, and much more.

What is ignite power?

Ignite Power brings solar-based life-enabling solutions to the poorest communities of sub-Saharan Africa, including many in Rwanda.

How does ignite work?

Ignite's solar-based irrigation systems allow farmers to tap into their lands more efficiently, increasing yields by up to 300%, harvesting seasons by up to 50%. Joseph Mains, 45, from Rwamagana, Rwanda, manages a farm of 20 hectares. He grows butternut, chili, onions, okra, pineapple, bananas, papayas, and passion fruit.

Does Azerbaijan support the Belt & Road Initiative?

Azerbaijan is one of the first countries to support the Belt and Road Initiative, cooperating with China in many fields such as transportation, logistics, and infrastructure. It also seeks to partner with Chinese enterprises to shape a carbon neutral future together to help diversify its economy and reduce dependence on oil and natural gas.
