What is itechworld?

Discover iTechworld's range of lithium batteries, power stations, solar panels and solar blankets, battery chargers and accessories and jump starters so you can power your next adventure. All from an Australian owned and operated company. iTechworld. The Power Expert Join the club.

Is itechworld a good battery company?

I haven't got an iTechWorld battery but I recently purchased a lithium battery, and during my research it appeared iTechWorld was highly regarded as a quality company. A bloke on YouTube by the name of Explore Bound has previously done a review on them, but there's a whole bunch of other videos there too.

Does itechworld offer a warranty?

At iTechworld, we stand behind our products and offer a 12 month warranty from the date of purchase (unless otherwise stated).

How do I make a return to itechworld?

To start a return, simply download our Return Authorisation form [HERE](#). Welcome to the iTechworld Help Centre! Here you'll find all the resources you need to troubleshoot and maintain your iTechworld products.

Should I buy itechworld or renogy?

Don't regret that purchase and it was significantly cheaper than iTechWorld (and still aussie made) Have a look at Renogy. I did a large lithium/solar install on my caravan last year. It was going to be between Itech and Renogy as I didn't want to fork out the cash Victron were charging.

Are itechworld warranties covered by Australian Consumer Law?

All warranties are covered by iTechworld and we comply fully with Australian Consumer Law. More details [HERE](#). We want you to be completely happy with your iTechworld purchase, which is why we offer a 30-day return policy for change of mind purchases.
