Who installed the largest commercial solar installation in Jersey?

SunWorks was contracted by Jersey Electricity to install the Channel Islands' largest solar installation at Jersey Dairy, a total of 1,516 Solar panels. This saw the start of JE's lease scheme for commercial building owners and enabled SunWorks to deliver a world-class commercial solar installation in Jersey.

Why is solar important in Jersey?

Solar is a vital component of modern homes in Jersey, contributing to the state's renewable energy and energy management. For those focused on the bottom line, solar serves as a safeguard against rising grid electricity costs.

What happened to solar in Jersey (at SunWorks)?

Despite the global Pandemic, solar continued to grow at SunWorks in Jersey. In 2021, the company moved its headquarters to St Helier Business Park and was able to install solar panels there.

What happened to Jersey electricity?

The first SunWorks project was completed for Jersey Electricity at the La Collette Energy Division building. After moving to Regus Offices in St. Helier, the company's capacity for installation significantly increased. This year, 41 installations were completed, bringing the total number of SunWorks solar sites on the island to over 115.

How can Sunworks make a more diverse energy future for Jersey?

Sunworks is striving to make a more diverse energy future for Jersey by providing the best advice, service, and solar technology. We look forward to a time when Jersey can say it makes the best use of its resources and is an example to other offshore jurisdictions. Sunworks' efforts towards this goal are integral to modern homes being connected and integrated.

Why did Mark & Ian start a solar business in Jersey?

Mark and Ian had to start pushing for a higher volume of installations for the survival of their solar business in Jersey due to its slow uptake. This marked a journey towards focusing on the business side and 'hitting the numbers'. Kevin Keen was appointed as the first Non-Executive Director with sales targets set and accountability held.
