For my dinghy I'm taking off my ePropulsion E80 (4kWh) and replacing it with a DIY pack of 2.9kWh using NMC (16p14s LG MJ1). It's much lighter, and I don't need the 4kWh of range of the heavy E80. I put my DIY pack in a Seahorse 720 waterproof box, and on top of being waterproof and easy to carry, it also makes my battery float. My outboard is ...

KDM waterproof solar battery enclosures protect batteries against vandalism, ingress of hose-down, splashing water, oil and coolant. You can also request less protected enclosures, such as IP56, if you plan on installing solar battery cabinets indoors.

This product is perhaps more commonly called a "solar battery box" but is also referred to as a "pole mount battery box". Some battery boxes are large enough to be considered battery cabinets and are usually made from painted steel. Battery enclosures keep your batteries safe from weather and safe from theft.

Shop Waterproof 12V Solar Battery Charger & Maintainer Pro - Built-in Intelligent MPPT Charge Controller - 10W Solar Panel Trickle Charging Kit for Car, Marine, Motorcycle, RV, etc online ...

KDM waterproof solar battery enclosures protect batteries against vandalism, ingress of hose-down, splashing water, oil and coolant. You can also request less protected enclosures, such as IP56, if you plan on installing solar battery ...
