

Kosovo prices of solar batteries

Is Kosovo planning a solar auction?

Kosovo is planning a series of auctions for renewable energy and battery energy storage systems. Minister of Economy Artane Rizvanolli has revealed plans for further procurement exercises for 950 MW of renewables, totaling EUR1.2 billion, after announcing the shortlisted bidders in the nation's first solar auction.

How much solar power will Kosovo have in 2022?

It is looking to add at least 1.2 MW of utility-scale wind and solar projects, alongside 100 MW of rooftop PV capacity. According to the International Renewable Energy Agency (IRENA), Kosovo had 10 MW of installed PV capacity at the end of 2022.

Will Kosovo offer a 100 MW solar PV project?

Kosovo is holding a competitive auction for a 100 MW solar PV project. This is a tremendous opportunity for the country to partner with international and local investors to expand renewable energy generation. As a first step, we encourage developers and investors to review the Contract Notice and Prospectus, available via the links below.

Does Kosovo have a battery storage plan?

According to its energy strategy, Kosovo also plans to hold two auctions for battery storage projects with a cumulative capacity of 170 MW. The minister expects that 45 MW/90 MWh and 125 MW/250 MWh battery storage procurement exercises will be launched this year in cooperation with US-based Millennium Challenge Corp. (MCC).

Will Kosovo invest in solar power projects in Pristina?

Another procurement exercise will seek to deploy a solar district heating project in Pristina. According to its energy strategy, Kosovo also plans to hold two auctions for battery storage projects with a cumulative capacity of 170 MW.

What is Kosovo's Energy Strategy?

The energy strategy foresees 170 MW in battery operating power. In addition, procedures are scheduled to be announced in the fourth quarter for a solar power plant of 100 MW for government-controlled power utility Kosovo Energy Corp. (KEK) and a solar thermal system for district heating in Prishtina, according to Rizvanolli.
