Where can I buy solar products online?

Source your solar online. ALL OFFERS We provide the infrastructure that guarantees a secure environment for your online trading activity. Solartraders is the go to marketplace when you want to purchase solar products at the most competitive prices. No middlemen, no hidden fees, no bullshit.

You might have a proposal for panel of Typ A at 100.000 EUR and a proposal of Typ B at 110.000 EUR. Assuming product B has better technical specifications (e.g. favorable temperature coefficient, less prone to LID and a higher performance ratio) you might be better off spending 10% more for your panels.
