At Collective Energy, our mission is to transform energy storage across Africa with top-tier BYD BatteryBox LFP products. We began our journey in Kenya, where we quickly became the leading distributor of lithium-ion batteries in East Africa.

At Collective Energy Africa (CEA), our mission is to transform energy storage across Africa with top-tier BYD BatteryBox LFP products. We started in Kenya, where we quickly became the leading distributor of lithium-ion batteries in East Africa, and now we are bringing our expertise to the entire continent with subsidiaries in Kenya, Uganda and ...

Collective Energy Africa is the African branch of Eft-Systems GmbH. Being established in Kenya in July 2021, CEA aims to introduce BYD technology in the sub-Saharan market by developing locally the after-sales service and purchasing operations.

Collective Energy Africa (CEA) is the African branch of Eft-Systems GmbH. Being established in Kenya in July 2021 CEA aims to introduce BYD technology in the sub-Saharan market by developing locally the after-sales service and purchasing operations.

Established in July 2021 in Kenya, Collective Energy Africa (CEA) swiftly emerged as a leading distributor of lithium-ion batteries in Africa. Focused on introducing BYD, a global leader in lithium battery technology, to sub-Saharan markets, we take pride in excelling in after-sales service and local purchasing operations.

At Collective Energy Africa (CEA), service is not just an add-on--it's the core of what sets us apart. We believe that delivering top-tier energy solutions is only the beginning. Our commitment to our customers extends beyond the sale, ensuring that ...
