

3 REPT BATTERO Energy Co., Ltd. engages in the design, research and development, production, and sale of lithium-ion battery products in China and internationally. The company offers electric vehicle (EV) and energy storage system (ESS) battery cells, modules, and packs; and ESS battery boxes, racks, and energy storage containers.

Focusing on the field of new energy vehicle batteries, we provide high-performance and high-safety battery solutions for PHEV (plug-in hybrid electric vehicles) and REEV (extended range electric vehicles) to promote the development of the green hybrid era.

The product range spans from 50Ah to 625Ah models, meeting diverse user needs. According to public data from InfoLink Consulting, REPT BATTERO ranked third globally in energy storage ...

REPT BATTERO Energy Co., Ltd. is a China-based company mainly engaged in the research and development, production and sales of electric vehicle (EV) and energy storage system (ESS) lithium-ion battery products.

REPT BATTERO Energy Co Ltd, formerly Rept Energy Co Ltd, is a China-based company mainly engaged in the research and development, production and sales of electric vehicle (EV) and energy storage system (ESS) lithium-ion battery products.

The new offerings include a host of lithium-ion battery cells powered by REPT's proprietary Wending technology designed to prolong the charge cycle and boost performance, alongside two brand-new...

REPT BATTERO est un fournisseur professionnel de batteries de puissance, fournissant des solutions de systèmes de batteries de puissance personnalisées pour les véhicules de ...

Entdecken Sie die Leistungsbatterien und Energiespeicherbatterien von REPT BATTERO, um effiziente, sichere und nachhaltige Energielösungen für eine grüne Zukunft bereitzustellen.

REPT BATTERO is building the next-generation zero-carbon factories combining intelligent energy management and green electricity to achieve carbon reduction targets and push forward the...

On May 9, the CB500 lithium iron phosphate long battery cell of REPT BATTERO Energy Co., Ltd. successfully rolled off the production line. The relevant parameters met the customer's ...
