

Ignite Power brings solar-based life-enabling solutions to the poorest communities of sub-Saharan Africa, including many in Rwanda. Founded in 2014, Ignite focuses on bottom-of-the-pyramid communities, consisting mostly of small-holder farmers and their families, providing them with clean, green energy solutions to their everyday needs ...

We are an EPC company based in Kigali, Rwanda, since 2005. We specialize in on-grid and off-grid solar energy systems, electrical installations and energy audits. For the past decade, we have immersed ourselves in understanding and solving the energy challenges of those in East Africa.

Rwanda is increasingly adopting solar energy due to its affordability and easy accessibility to electricity for use in both urban and rural community. ARC Power designs, develops and installs large scale, off-grid AC power generation and distribution systems (ARCs) that become the hub of the community and empower families and small businesses to ...

ARC Power provides Affordable, Reliable and Clean solar electricity to communities in Rwanda, Mozambique, Zambia and beyond. We design, develop and install off-grid AC power generation and distribution systems that become the hub of the community and empower families and small businesses to thrive.

SOLEKTRA is a leading provider of clean renewable energy solutions such as Solar Home Systems, Solar Street Lights, Solar Mini Grids, Smart Solar Irrigation, Solar Water Heaters, Solar Rooftop Solutions, Water Solutions, Clean Cooking Solutions, and other groundbreaking technological solutions.

Supports Rwanda's conditional updated NDC (2020) targets to reduce GHG emissions by 38% and install 68MW of solar PV mini-grids in rural areas by 2030. Project is in line with Rwanda's long-term development plan, Rwanda 2050, as well as the National Strategy for Transformation (2017-2024), which aims to ensure 100% electricity access by 2035.
