

# Saint Martin 1200w solar panel

Why have solar panels been installed in St Martin's Parish Hall?

St Martin's Parish Hall and its adjoining outside toilet block have had solar panels installed as part of a push to move away from using electricity from the grid, officials said. The installation formed part of ongoing refurbishment projects across the parish and was the first of its kind on the island, they added.

Why did St Martin get a new tax meter?

The installation formed part of ongoing refurbishment projects across the parish and was the first of its kind on the island, they added. St Martin constables said the change would also work towards "reducing rates" for taxpayers.

How much power does a 1200W solar panel generate?

[Ideal Output Power-5KWh/day]: This 1200W solar panel complete system generates about 5KWh per day under 4 hours full sunlight condition, very suitable for home, shed, cabin, RV or other energy backpack, and it provides enough power for air condition, TV, refrigerator, coffee maker, microwave and other AC 110V devices.
