

Saudi Arabia centrica energy storage limited

What is Centrica Storage Limited?

The long term aim for Centrica Storage Limited is to turn Rough into the largest long duration energy storage facility in Europe, capable of storing both natural gas and hydrogen with the goal of bolstering the UK's energy security. Formerly Centrica Storage Limited (CSL), we have recently changed our name to signify a change in ambition.

Who are Centrica Energy Storage Limited (CES+)?

Centrica Energy Storage Limited (CES+) are part of the infrastructure area of the Centrica family.

Who is Centrica Energy?

Centrica Energy is our global energy trading and logistics arm. We trade power, gas, LNG, and energy attributes and connect producers, suppliers and offtakers in the wholesale energy markets - and we provide our clients with the best route-to-market services available to the market today with physical and financial settlement approaches.

Since 2022, Centrica has committed £140m in energy bill support delivered directly and via key partners like the British Gas Energy Trust and Focus Ireland, to help them through the energy crisis. We introduced innovative energy ...

Another part of the deal will see the UK Infrastructure Bank invest £125 million of match funding into Equitix UK Electricity Storage Fund. Centrica said it was the Bank's first investment in electricity storage, and "could ...
