Who is GSL energy?

Through your continued use of our website, you consent to the use of cookies. GSL Energy is the leading lifepo4 battery manufacturer in China, with 12 years of expertise in manufacturing and researching lithium-ion batteries. Our focus lies in the development, sales, and production of household energy storage batteries, commercial &

What makes GSL energy unique?

With a focus on advanced lithium battery applications and solutions, GSL ENERGY remains committed to independent innovation. We possess cutting-edge lithium battery module development and design capabilities, effective cost management, and strategic market positioning.

Who is GSL Group Limited?

Please send inquiries for specific product prices. GSL Group Limited is an integrated energy conglomerate specializing in the manufacturing of lithium-ion battery products, leading the charge in the realm of new and sustainable energy.

What is a GSL 5000u battery?

Certified by CB IEC62619, CE, UN38.3, and MSDS, this advanced battery system ensures reliability and safety for diverse energy storage needs worldwide. Introducing the GSL 5000U-5.12kWh, a cutting-edge low-voltage stackable lithium iron phosphate battery specifically designed for medium to small ... [Read More](#)

Why should you choose GSL?

With a focus on quality and innovation, GSL continues to push boundaries in the energy storage sector. Our solutions not only cater to the diverse needs of customers but also contribute to a more sustainable and resilient energy future. **WHY CHOOSE US**

What is GSL power storage wall ESS?

Since its inception, GSL's power storage wall ESS products have garnered immense popularity, with over 500,000 families worldwide embracing our solutions. These solutions have found wide-ranging applications in residential, commercial, and grid-tied storage systems, as well as in-vehicle batteries and emergency power for iCloud.

Discover our latest wall-mounted, stackable, and rack-mounted lithium iron phosphate battery systems and industrial and commercial energy storage solutions. Power your future with GSL ...

GSL ENERGY specializes in the production of advanced lithium battery solutions for residential, industrial, and commercial energy storage needs. With over a decade of expertise in battery ...
