

Solar glass manufacturers in Saint Lucia

What is IQ's bespoke glazing in St Lucia?

A great example of IQ's bespoke glazing in St Lucia is the Sugar Beach Hotel and Resort, which used our slim framed sliding doors and louvre roof shading systems were also included in the glazing package. If you would like to speak to bespoke glazing specialists about St Lucia projects, contact the IQ team today.

How can specialist glazing in St Lucia protect against Hurricanes?

By specifying systems with hurricane resistance, such as oversized sliding glass doors which can be used to create hurricane resistant sliding glass walls, this type of specialist glazing in St Lucia would be effective at protecting against hurricanes.
