Solar + Storage Spain ???????????? (DG) ?????,????????????????????????? ?????????????? ?????? ...

Join us in Barcelona in November 2024, where we'll bring key stakeholders within the energy value chain together with the innovators and disruptors to showcase their technology and service solutions needed to enable change at this critical time.

Solar + Storage España, organized by pv magazine and RE+ Events, offers a unique platform for solar PV professionals from Spain and beyond to convene and explore cutting-edge trends, technologies, and solutions in solar PV and energy storage systems (ESS).

Solar + Storage Spain ?????????? (DG) ?????,???????????????????????? ???? ????? ?

Solar + Storage España May is the ideal place to discover the latest innovations, to build relationships, and to gain a competitive edge in the industry. Don't miss out on this unique opportunity to be part of the future of energy and solar technology.

Solar & Storage Espana is the only exhibition and conference dedicated to the growing Spanish and Iberian solar and energy storage markets. The two-day event will feature exhibition, conference, education, as well as unique networking opportunities.

The first Solar + Storage España occurred on May 10-11, 2023, at the World Trade Center in Barcelona, Spain. We extend our gratitude to those who contributed to its success - the organizers, exhibitors, sponsors, speakers, and attendees.

We're excited to announce the launch of Solar & Storage Live España! Due to the increased demand in Europe, we decided it's time to create another forward-thinking, challenging and exciting renewable energy exhibition that celebrates ...
