What did the sales representative say about the solar cable?

The exact words expressed by the sales representative were: It will be a schlep to buy the solar cable from us. Please rectify the issues at the company, we don't want to beg to buy something. Very slow service. Very good reasonably priced solar products.

Is solar in demand?

Solar is in demand guys you need to communicate with your people add other phone lines and people to answer. It is very pathetic that you literally have to beg to spend your money at this company. We phoned twice on one day and got through but since then nobody ever answers the phone no matter which extension you choose.
