

# Solarn company Belgium

How many solar panel installers are there in Belgium?

Belgian solar panel installers - showing companies in Belgium that undertake solar panel installation, including rooftop and standalone solar systems. 684 installers based in Belgium are listed below.

Are solar panels a good choice in Belgium?

We quickly realized that the quality of solar panels available in Belgium was uneven. Faced with this observation, we invested in quality control equipment for solar panels. This led us to seek more reliable and sustainable solutions for our customers. In 2012, we took a major step by becoming manufacturers of photovoltaic panels.
