

Sun connect South Africa

What is the Sun Corporation?

At The Sun Corporation, we are committed to providing South Africans an affordable way to combat the ever increasing load shedding crises with sustainable on-grid solar and off-grid solar solutions. We are also proud to work on joint ventures with Solarcare. You are still tied to the Eskom grid but have enough power to cover Loadshedding.

Who is SUNX?

SunX is a leading solar power solutions provider in South Africa- supplying top-tier products to deliver high performance customized solar solutions. Our products and solutions are made to meet all kind of solar needs for domestic,commercial and industrial consumers. Our team of surveyors and installers are professional and experienced.

Why did sunsynk go to South Africa?

Overall, the Sunsynk team's trip to South Africa was a huge success. We were able to showcase our products, meet some great people, and reinforce Sunsynk's commitment to customer satisfaction and education. We're proud of everything we accomplished and can't wait for the next expo! We're heading to Intersolar 2023 in Munich, Germany in June.
