

Taiyo power and storage Malaysia

What is Taiyo power & storage?

Taiyo is committed to building a sustainable world through environmental vision and carbon reducing insight. Taiyo Power and Storage is a joint venture between Kajima Partnerships and Low Carbon Alliance. Born out of a desire of the stakeholder partners to affect environmental change through innovation, leadership, and creativity.

Will Taiyo enter the UK solar and battery storage market?

The JV marks Taiyo's entry into the UK solar and battery storage market, which is set to grow significantly following the UK's legally binding commitment to Net Zero by 2050. The UK is set to double its solar capacity by 2030, according to a recent report by Solar Energy UK, whilst the battery storage market needs to grow fast.
