### Technaus com au Ecuador

#### Who is technaus solar?

Technaus Solar is an Australian owned and operated renewable energy companyspecialising in solar power and battery storage technology across Australia. With a reputation as a pioneer within the renewables sector, Technaus has been a market leading solar energy company for over 15 years.

#### Who is technaus?

Technaus Pty Ltd is a local company dedicated to offering the best in PV Solar Power, Solar Hot Water and energy management products. We have provided local support for Perth businesses, schools and households with careful consideration given to the end users requirements and situation.

#### Is technaus a good company?

Hi Charles, Fantastic to hear your experience with Technaus and in particular Steve, has been excellent. Steve is definitely your man when it comes to sound and objective advice for a solar installation. Steve and the team don't do just one product and try and push it. Every household is different, and all customers needs can be quite varied.

#### Does technaus provide a warranty?

Technaus Pty Ltd has avoided to provide me its written guarantees for workmanship with terms and conditions. Technaus Solar is a member of Clean Energy Council, but it also fails to provide required documentations as printed on page 17 of Guide to installing solar for household, published by that council.

#### Did technaus Pty Ltd provide a sale contract with terms and conditions?

Technaus Pty Ltd did notprovide a sale contract with terms and conditions Technaus Pty Ltd has avoided to provide me its written guarantees for workmanship with terms and conditions.

#### What do you like most about technaus?

Very satisfied with the service provided by Technaus. Very friendly staff and very attentive to every detail. Very happy with installation process. Would highly recommend Technaus to anybody. Thank you so much to you all for providing excellent service. Show details · 1 Technaus have been wonderful from the get go.
