

Togo mantis energy ltd

Who is Mantis energy?

"We are Mantis Energy and we believe that new and existing homes can be built better. We design new and existing buildings into energy efficient, low running cost, future homes"

Why should you choose Mantis energy?

The homes we live in as well as the new homes currently being built can be more efficient, more sustainable and we can get more value from them. At Mantis Energy we do this by designing, project managing and providing compliance services to existing and new domestic properties to produce sustainable high tech future proofed homes.

What does Oli do at Mantis energy?

She is also excellent at customer service and will be the main point of contact on email and phone. Oli has joined Mantis Energy as Digital Marketing Executive. He comes to us with a background of all things marketing and social media.
