Uruguay huizhou markyn new energy co ltd

CellModel CP251525 Cell Capacity 140mAh Manufacturer of ...

Our main battery products:1. Curved batteries, Markyn Curved, flexible lithium polymer batteries, both primary & rechargeable Designed for products such as i-watches, sports bracelets and wrist straps. Note: Primary one is ultra-thin CP soft batteries, tiny 3.0V soft CP lithium batteries, Soft 3.0V batteries;2.

Since 1999, Huizhou Markyn New Energy Co., Ltd.has committed itself to production of high quality, unique and differentiated lithium batteries and battery packs. Our clients include Flextronics, Midea group, and Texas instruments.

Huizhou Markyn New Energy Co., Ltd. | LinkedIn???????374??Quality lipo batteries with touching prices and quaitly battery packs with striving solutions | GMB producing small, free-shapped lipo batteries and soft pouched Li/MnO₂ batteries, assemble battery packs for slow-speed EV(including E-bikes, E-scooters), solar-system, and digital products, together with a ...

We have been leading the way in lithium polymer (LiPo) and pouched CR battery manufacturing since 1999. Our main focus is to produce high-quality lithium polymer and pouched Li/MnO₂ batteries that can be used in various applications. We also specialize in assembling battery packs for Energy Storage Systems (ESS) and low-speed Electric Vehicles ...

Applicant Huizhou Markyn New Energy Co., Ltd Manufacturer Huizhou Markyn New Energy Co., Ltd
Nominal Voltage 3.0v Rated Capacity 1000 mAh Charge Current Do not charge Maximum Continuous Current 300 mA Cut-off Voltage 2.0V Maximum Discharge Current 800 mA Use Digital Production Cells
Number 1PCS Cell Model CP 264845 Cell

Since 1999, Huizhou Markyn New Energy Co., Ltd.has committed itself to production of high quality, unique and differentiated lithium batteries and battery packs. Our clients include Flextronics, Midea group, and Texas instruments. Our main production base, Huizhou Markyn New Energy Co., Ltd. is located at Yuanzhou Town, to the west of Dongguan ...
