

VARO Energy was created with an acquisition of the Cressier refinery in Switzerland, from Petroplus, alongside marketing and storage activities. It was established as a joint venture between the commodity trader Vitol (75%) and Atlas Invest (25%), a financial holding company owned by the leading energy investor, Marcel van Poecke, who remains the Chairman of VARO Energy.

Varo Energy and Orim Energy are partnering to provide shipping customers in the Port of Rotterdam - and wider Amsterdam-Rotterdam-Antwerp (ARA) region - with biofuels. The agreement supports the decarbonisation of maritime transportation and inland shipping in Northern Europe.

Petrotank Neutrale Tanklagergesellschaft mbH changed its name to VARO Energy Tankstorage GmbH from 01/11/2016. VARO is a shareholder of Petrotank since 2015. Petrotank announced that it has been incorporated into the VARO team, also in name, since 01/11/2016.

Energy company, VARO Energy has announced the acquisition of 80% of the shares in one of the largest biogas manufacturers in Europe, Bio Energy Coevorden BV (BEC) in the Netherlands. The transaction accelerates the ONE VARO Transformation strategy launched in July 2022.
